How We Will Calculate Your Balance: We use a method called “average daily balance (including new purchases).”

How We Will Calculate Your APRs: Your interest rate is a variable rate and is determined by a combination of the Prime Rate (which may vary) added to a margin (which does not change). Because the Prime Rate may vary, your variable interest rate will go up or down if the Prime Rate changes. The following rates on the Account are variable: Non-Introductory Purchase Rate, Non-Introductory Balance Transfer Rate, and the Non- Introduction Cash Advance Rate. Further information is available in the Cardholder Agreement.

1Cash Advances include ATM, Over- the-Counter, Same-Day Online, Overdraft Protection and Cash Equivalent (money orders, foreign currency, travelers checks, or to obtain cash, from a non-financial institution, or person-to-person money transfers, bets, lottery tickets purchased outside the U.S., casino gaming chips and bail bonds) Cash Advances. Cash advances are not eligible for any rewards points, cash rewards or rebated offers through *uChoose Rewards®*

How Can I Avoid Paying Interest Charges? If you pay your statement “New Balance” (including any balance transfers) in full by the due date, we will not charge interest on any new transactions or new balance transfers that post to the Purchase balance. If you have been paying your account in full without interest charges, but fail to pay your next “New Balance” in full, we will charge interest on the unpaid balance. For cash advances we will start charging interest on the transaction date.

Important Information about Procedures for Opening a New Account: To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask you for your name, address, date of birth and other information that will allow us to identify you. We may ask to see your driver’s license or other identifying documents.

Application of Payments: We will apply your minimum payment first to lower APR balances before balances with higher APRs. Payments made in excess of the minimum payment will be applied to balances with higher APRs before balances with lower APRs.

Credit Limit Reallocation: You understand that if you have existing credit card accounts with Citizens & Northern Bank, we may utilize the available credit on the existing account(s) to approve your new credit card.

Balance Transfers: If the balance transfer you request exceeds your Total Credit Line, we may send full or partial payment to your creditors. Requests will be fulfilled beginning with the largest one first. If the requested amount exceeds your available credit, a partial transfer will be issued. Allow at least 2 weeks from account opening for processing. The transferred amount will post to your C&N credit card account at the time the funds are transferred. Balance transfers will not automatically close your other account(s). To do so, please contact each creditor directly. If you have a dispute with a creditor and pay that balance by transferring it to your new account, you may lose certain dispute rights. Balance Transfers may not be used to pay off or pay down any account issued by Citizens & Northern Bank. Balance transfers are not eligible for any rewards points, cash rewards or rebated offers through *uChoose Rewards*®.
